Get All the Tire Mileage You Buy!

The average motorist is only getting about 60% to 80% of the mileage which is built into his tires at the factory.

This is the basic reason behind the Goodyear Service Station policy and Goodyear Tire-Savers.

Many tires are ruined by

poor tubes and lack of tube care. Buy good tubes and give

them the best of care.

you change a tire.

Be sure the inside of the casing is clean before you insert the tube.

Learn to use a sprinkle of Good-year French. Tale to, prevent chafing and friction.

Keep your valves clean and airright and the air pressure up.

Carry spare tubes in Goodyear.

Tube base to prevent insure by

loose tools and from chaling.

Let your Goodyear Service Station Dealer show you the advantages of Goodyear Heavy Tourist Tubes and how to use the Goodyear Tube Renair Kit.

He is glad to do this, and many other things that save tires, to increase your mileage. He knows that long mileage tires bring customers to him.

He is taught by Goodyear, that low-cost-per-mile has built for Goodyears the largest sale of any tire in the world.

To supplement his work, we

will gladly send you, free, our Tire Conservation Course. Write usat Toronto for this course.
